

Important Payment Method Update – Effective May 1, 2026

Dear Valued PSD Customer,

We would like to inform you of an upcoming change to our payment policy.

Starting **May 1, 2026**, a **3% processing fee** will be applied to all payments made by **credit card**.

This change has become necessary because of the increasing costs associated with credit card processing. We will continue to accept other payment methods, such as **ACH, wire transfer, or check**. Those payment methods are not subject to any fee.

We appreciate your understanding and sincerely value your continued business. If you have any questions about this change, or need assistance selecting or changing your payment method, please don't hesitate to contact us.

Thank you for your continued partnership.

Sincerely,

Pharma Source Direct
